

NEIL ALEXANDER & NAIL

BLEND JAZZ, FUNK, WORLD,
ELECTRONICA & AMBIENT
MUSIC INTO A COHESIVE
WHOLE OF CUTTING EDGE
MUSIC WITH THE
EMPHASIS ON **GROOVE**.

Since forming in 1997, **Neil Alexander & NAIL** continues a commitment to the future of Jazz and improvised music. The ensemble comprises a tight unit with a diverse stylistic palette skillfully blending modern and traditional forms with experimental concepts and electronic music. Recorded live in the studio, their new CD "**TUGGING AT THE INFINITE**"

is a musical tour de force illustrating the group's tremendous versatility and sweeping dynamics. NAIL takes the listener on a sonic journey that features phenomenal keyboard work that at moments can rival any

Hendrix style guitar. True lovers of jazz, improvisation and an exhilarating sensory experience seek them out, knowing they will shatter boundaries and test limits. They are currently booking the 2007/2008 season, doing festivals, clubs, colleges and small theaters. For complete info, tour dates, pictures, audio clips and more, go to the Official NAIL Website at **www.nailmusic.com**.

NAIL's latest disc, "**Tugging At The Infinite**", is redefining the state of the art of instrumental electric music.
